

Join the **University of Regina's Neuro Lab** in our

Connections Roundtable Event!

**Refreshments
Provided.**

June 28, 2023, from 6:30 - 8:00 p.m.

Located in room CK 185 at the University of Regina
Kinesiology & Health Studies building

We are connecting people with chronic neurological conditions, exercise professionals, and health professionals to gather information to improve access to and quality of exercise services for people living with chronic neurological conditions in Saskatchewan.

Sign up using the QR Code or contact Sherrise Richards at (306) 552-4341 or by email at sherrise.richards@uregina.ca
